

Canadian Geotechnical Society

2022 Student Competitions

Graduate Student Presentation Award

- **Submission** - 15 minute (max) presentation recorded before a live technical audience (in person or using web conferencing), followed by a question-and-answer period. The video should be submitted in mp4 format. The video should be submitted through a file sharing service (e.g. Dropbox). The presenter must be registered as a student at the time of the presentation.
- **Evaluation** - Geotechnical content and interest (60%), oral and visual quality of presentation (30%), and performance during the question-and-answer period (10%).
- **1st Place Award** - \$1,250 honorarium and a certificate, one-year membership in CGS, free conference registration, and an opportunity to present at the Annual Conference (**GeoCalgary 2022**)
- **2nd Place Award** - \$750 honorarium and a certificate, one-year membership in CGS and free conference registration.

Undergraduate Report Award (Individual)

- **Submission** - Written report (e.g., Undergraduate Thesis, Term Project, Summer Work Report, etc.) generated by a single undergraduate student. Submissions are accepted in electronic format.
- **1st Place Award** - \$1000 honorarium and a certificate, one-year membership in CGS, and free conference registration.
- **2nd Place Award** - \$750 honorarium and a certificate, one-year membership in CGS, and free conference registration.
- **Maximum of one nomination** per academic unit of each university.
